The application has been amended as follows:

At the beginning of the Specification add:

This application is a Divisional of application 09/953,544, now patent number 6,613,606.

Allowable Subject Matter

Claims 25, 28-29, 31-35 and 45-48 are allowed.

The following is an examiner's statement of reasons for allowance:

There is no teaching or suggestion in the art of record disclosing a chip package comprising first and second semiconductor chips in accordance with the combination of structural limitations of claim 25. Therefore, independent claim 25 is deemed allowable along with its dependent claims 28-29, 31-35 and 45-48.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
